ABN 35 093 536 746

Refrigeration Services

### Quality Policy

The Management and Staff of Airepair are committed to the principles and practices of a Quality Management System based on International Standard AS / NZS ISO 9002.

To achieve our goals for Quality we understand the necessity to meet our clients needs and expectations and therefore we work to the motto:

**“QUALITY PROJECTS – ON TIME – EVERY TIME – WITHIN BUDGET”**

We also expect our Suppliers / Sub Contractors to meet our requirements in providing a Quality service to our clients.

Airepair consequentially consider our Quality goals and commitment will not only enhance our reputation, it will also provide a competitive edge and long term success in our market.

### Equal Opportunity Policy

Airepair is an Equal Opportunity Employer and maintains its obligation to employ the best people available for any given task.

### Environmental Policy

Airepair is committed to the implementation of licensing and regulations regarding greenhouse emissions and the management of ozone depleting substances.

Brad Wiseman  
Managing Director
